

# BLB&G Named a Delaware “Regional Powerhouse” by *Law360*

September 17, 2024

BLB&G has been named a 2024 Delaware “Regional Powerhouse” by *Law360*, marking the firm's debut appearance on this list. This recognition highlights the firm’s significant victories in the Delaware Court of Chancery over the past year, including the landmark *Tesla* case, which led to the rescission of Elon Musk’s \$55 billion pay package, and the *Columbia Pipeline* case, resulting in a \$79 million partial settlement and a \$350 million post-trial judgment (including interest). The award also honors the leadership of [Jeroen van Kwawegen](#), head of BLB&G’s Corporate Governance Department, and [Greg Varallo](#), head of the firm’s Delaware office.
